## GIVING TO COMMUNITY

Caring for our Elderly Community for over fifty years, Eventide Lutheran Homes and Hamilton Village together with your support will continue to provide quality care for the next generation of older Australians

## About us

Eventide Lutheran Homes and Hamilton Village has provided high quality aged care services since 1962.

The hostel accommodates 59 full care and respite residents in a home-like environment.

Entry to the hostel is not limited by social circumstances or financial background.

## Our mission

To provide high quality accommodation and supportive care in a Christian atmosphere to all aged persons in a sustainable manner.

## Our values

To provide the best possible care. To provide a home-like Christian environment where values and beliefs of each resident are respected.

To encourage independence and maintain or increase each residents capability.

## Bequests

Leaving a bequest in your Will supports an Elderly Community to continue to receive the best possible care.

Bequest models range in structure and during the planning stage should be discussed with your family, financial advisor, legal advisor and the CEO of Eventide.

Choose how and where your bequest can best support the work of Eventide Lutheran Homes and Hamilton Village. Should you wish to make a bequest please let us know so that we may show our appreciation in person.

## Donations

We are a not-for-profit organisation that relies on Resident and Government funding to carry on our great work. We are owned and supported by the Lutheran Church of Australia but not in a financial capacity.

Donations and bequests support us to provide great care for the elderly. Much needed equipment and wing refurbishments really can make a difference in the health and wellbeing of Hostel Residents and Independent Living Unit Residents. The community of Eventide values and appreciates all contributions and we thank you sincerely for considering supporting us.

Donations are tax deductible and we value any amount, whether large or small. You can donate to specific areas of care, capital, equipment or programs. Please contact us for more information on future projects and how you might provide support.

## PLANNED GIVING
